Joe Stanek of Diamond Point has been appointed as a member of the Lake George Park Commission. Governor David A. Paterson nominated Mr. Stanek and the New York State Senate confirmed the appointment on August 8, 2008. Mr. Stanek replaces Roger H. Phinney whose nine-year term expired March 31, 2007. Members of the Commission serve without compensation.

Mr. Stanek retired in 2004 following a 36-year career in management and technology – much of it with the Xerox Corporation. Since moving to Diamond Point he has been an active volunteer for the West Brook Conservation Initiative and other environmental projects.

“Joe has really immersed himself in the efforts to protect Lake George,” said Bruce Young, Commission Chair. “His helpful approach and keen attention will be most welcome to our organization,” Chairman Young said.
